

FARMHOUSE MEETING

ELDER PARK

Sat. Feb. 7th 2015 11:00

Preparing the path

Looking at site. Figuring out a plan of action. How to build capacity. What happens first. What work needs to be done

Looking at:

Getting the project out to the community and the world
Planning and kitting out of the work pod. Setting up workshops using local skills
Engaging participation from further education and involving schoolkids and young folk

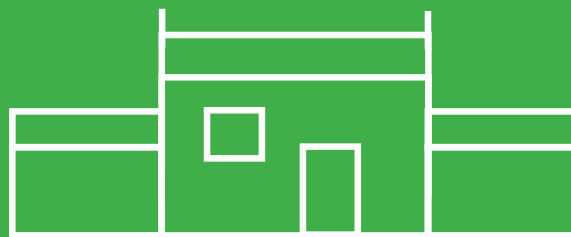

Participatory Action Research and why we need it

We will look round the garden and the building, a walk around surrounding area and finish at Plantation

Productions for a summary tea and snacks

Garden visit area walk 11:00 Plantation around 1:00

All welcome young old and in between
